Early Graduation

The School Committee recognizes the value of a full high school program and the encouragement of academic excellence. Therefore, the School Committee will consider early graduation only for students who, at the end of the junior year, meet the following criteria:

1. Accrual of the units of credit required by the School Committee for graduation;
2. No grade below a "B"; and
3. Attainments and/or other personal considerations which in the judgment of the high school principal and the superintendent are outstanding.
