

# Solar Energy Building Permit Application

## Applicant Information:

Name of Applicant:

Mailing Address:

Phone Number:

Email Address:

## Property Information:

Address of Property:

Map and Lot Number:

Zoning District:

- Ag/Forestry
- Residential A
- Residential B
- Residential C
- Village Commercial
- Commercial
- Industrial
- Shoreland

Owner of Record (if different from applicant):

Owner's Mailing Address:

Phone Number:

Email Address:

**Applicant Information:**

Name of Applicant:

Mailing Address:

Phone Number:

Email Address:

**Type of Solar Energy System:**

- Personal Scale Solar Energy System - Minor (Less than 1,200 sq. ft.):
- Personal Scale Solar Energy System - Major (1,200 sq. ft. - 21,780 sq. ft.):
- Ground-Mounted Solar Energy System:
- Roof-Mounted Solar Energy System:
- Wall-Mounted Solar Energy System:

**System Details:**

Brand of Solar Panels:

Total Square Footage of Solar Array:

Number of Solar Panels:

Rated Nameplate Capacity (kW):

Maximum Height of System (for ground-mounted systems):

Estimated Life Span of System and Derate Factor:

**Setback Dimensions (Distance from Property Lines):**

Front Property Line:

Left Side Property Line:

Right Side Property Line:

Rear Property Line:

**Contractor Information:**

Name of Contractor:

Mailing Address:

Phone Number:

**Master Electrician Information:**

Name of Master Electrician:

Mailing Address:

Phone Number:

License Number:

**Cost Estimates:**

Estimated Cost of Equipment:

Estimated Total Cost of Construction:

**Required Attachments:**

Site Plan (showing location of the solar system relative to property lines, buildings, and setbacks):

Elevation Drawings (for roof and wall-mounted systems):

Structural Load Certification (for roof/wall-mounted systems):

Written Approval/Conditional Approval from Utility Company (for systems intending to connect to the power grid):

Panel Submittal Information (specifications and manufacturer details for the solar panels):

Draw Site Plan Below:

A large, empty rectangular box with a thin black border, intended for drawing a site plan.

**Fee:**

Fee Payment (\$20 plus \$0.20 per square foot for Minor systems, \$500 plus \$20 plus \$0.20 per square foot for Major systems):

**Certification:**

I hereby certify that the information contained in this application is correct and that I will comply with the Hermon Solar Energy Systems Ordinance and all other applicable laws and regulations. I understand that a permit will be void if the system is moved or altered in a way that does not conform to the ordinance. I hereby certify that the information contained in this application is correct and that I will comply with the Hermon Solar Energy

**Disposable Responsibility:**

I understand that the Town of Hermon is not responsible for the disposal of solar panels. The disposal of solar panels, including all associated costs, is the sole responsibility of the property owner.
