Hermon Rec to Host 3rd Annual Children's Yard Sale

Article Submitted By: Lindsey Ouellette, Recreation Director

Join us for the 3rd Annual Children's Yard Sale, hosted by the Hermon Recreation Department! This beloved community event will take place on Saturday, April 26, from 8:00 AM to 12:00 PM at the Patricia A. Duran School. It's the perfect opportunity to kick off your spring cleaning by selling your new or gently used children's items! We offer a 10' x 10' rental space and tables for sellers to showcase a variety of kids' and baby items, including books, toys, clothing, and furniture.

Admission to the event is by donation, and your generous support will help us purchase outdoor equipment for students attending our upcoming Summer Programs. Every donation, large or small, contributes to our mission of providing enriching recreational opportunities for our community.

Our event continues to grow each year, and we're expecting over 20 booths! Plus, a local food truck, Maineiac Snack Shack, will be on-site serving up tasty breakfast and lunch options. We look forward to seeing you, as a seller or a customer!

Introducing Queen City Athletics: A New 24/7 Fitness Gym in Hermon!

Exciting news for fitness enthusiasts in Hermon! Queen City Athletics is opening its doors in the Danforth's Plaza, offering residents a state-of-the-art gym experience with something for everyone—whether you're looking to break a sweat on your own, improve your athletic performance, or enjoy a family-friendly environment.

The gym offers a wide range of equipment to accommodate all types of fitness enthusiasts. Members can enjoy access to cardio machines for those who want to get their heart pumping. If you're looking to take your workout to the next level, the gym features a 75-foot-long turf strip for functional training, speed drills, and agility exercises. Additionally, you'll find cable machines, plate-loaded machines, and a comprehensive selection of free weights—everything you need to build strength, power, and endurance.

Queen City Athletics offers several different membership options for individuals, families, and youth alike. Family memberships allow multiple family members to work out together, while youth memberships are designed to give younger members the tools they need to grow into strong, healthy athletes. The gym's memberships will include access to both the Hermon and Veazie locations, giving you even more options to stay active, no matter where you are.

For those seeking a more personalized approach to their fitness journey, Queen City Athletics offers one-on-one semi-private personal training. The gym also offers sports performance training, designed to help athletes improve their strength, speed, and agility—ideal for young athletes or anyone looking to take their performance to the next level.

"We've had several Hermon athletes and community members train with us over the past decade, bringing a gym to Hermon seemed like a great move. The Hermon community is incredibly supportive and I'm looking forward to bringing training options closer to them. I have an enormous passion for athletics and fitness and I'm looking forward to bringing that to the community." – Shawn Demaray, owner of Queen City Athletics. Whether you're just getting started on your fitness journey or you're a seasoned athlete, Queen City Athletics is ready to help you reach your goals. We can't wait to see you at the gym!

Let's get moving, Hermon!

Message from the Town Manager

Greetings to Hermon Residents,

First, let me thank you for your outstanding resolve through the past couple of winter storms. The storms have brought challenges and opportunities for the town to see how we can improve on services, such as Casella waste pickup and conquering drifting snow, as it has been a few years, since we have seen back-to-back storms and winds. Second, I want to thank all the participants of the Daughter Dance and understanding as the pivot to change the date for everyone's safety. The annual town budget process is now in full operation. The school is diligently working on the budget request to the town. I have posted the Fiscal Year 2025-2026 budget for view on the Town of Hermon website, Public Notice section. The town's budget process is summarized in my narrative memo and was developed by discussion with all town supervisors and staff. The fundamental question...what service level is the Town going to continue to operate? Today's decision may impact the future of quality of service provided to the residents.

The groundhog stated more winter, and we got it! Spring will arrive soon. In the meantime, stay warm and safe.

Sincerely your Town Manager,
Stephen Fields

Elections

By Kristen Cushman, Town Clerk

On June 10, 2025, we will have a Municipal Election.

The Town Council has three (3) seats, and the School Board has two (2) seats that will all expire June 30, 2025. If you are interested in serving your community and would like more information about what serving as an elected official in Hermon is about do not hesitate to contact me.

Nomination papers will be available in my office on March 3, 2025. Candidates are required to obtain 25 valid registered voter supporting signatures. Those signatures are due back by 4:00pm on April 11, 2025.

Upcoming Dates

March 3, 2025 - Nomination papers available for School Committee & Town Council

April 11, 2025 at 4:00pm - Last day to turn in nomination papers

April 21, 2025 - Closed for Patriots' Day

May 26, 2025 - Closed for Memorial Day

June 10, 2025 - Election Day at Hermon High School Gym - 7:00am - 8:00pm

June 12, 2025 - Annual Town Meeting at Hermon High School Auditorium at 6:30pm

New Pine Tree Plate

By Kristen Cushman, Town Clerk

In 2023 our State Legislature amended the law, requiring the Bureau of Motor Vehicles to issue a replacement to all Chickadee plates starting May 1, 2025. Registrants with a passenger class code, whether new or renewal registrations, may choose to receive a Pine Tree Plate, No Tree Plate or change to a different style of plate altogether. Registrants can also change from other plate styles to the Pine Tree Plate. Fees may apply.

Registrants who would like to keep their current Chickadee plate numbers may reserve their plate for a \$25.00 one-time fee. Registrants who have an active vanity, low digit, and National Guard (Passenger class code) must reserve their plates if they would like to keep their current plate number.

A license plate number can be reserved in four different ways:

Option one: maine.gov/online/reservemyplate

Option two: Through the Rapid Renewal website when renewing a vehicle registration

Option three: Going to a Bureau of Motor Vehicle branch office.

Option four: Mailing in a Reserve Plate Application (MV-62) to the Bureau of Motor Vehicle Administrative Office.

Reserved plates will be mailed directly to the customer two to four weeks prior to their registration's month of expiration at their address.

Customer must come into the Town Office with their new reserved number plate they received in the mail, their reservation letter from the Bureau of Motor Vehicle, and we will re-register with the new plate.

NEW

Welcome to the
Town of Hermon

Your Voice in Augusta

Article Submitted By Senator Joe Baldacci

Over the next few months, along with my [bi-weekly email newsletter](#), I look forward to keeping the people of Hermon updated about my work in the Maine Senate. Today, I want to highlight the committees that I will be serving on for this session.

During this session, I will be chairing two committees. The State and Local Government Committee, which I served on last session, works on ideas to help the functions of both state and municipal government. I have always been looking at the intersection of state and municipal government, primarily in regards to revenue sharing. Currently, the Town of Hermon will receive \$810,000 per year. When I started serving, that number was only \$367,000. That's an increase of about 115%.

I will also be serving as the chair of the Inland Fisheries and Wildlife Committee, which is responsible for overseeing legislation related to inland fisheries, wildlife research and management, hunting, fishing, trapping, hunter safety, fish hatcheries, game wardens and guides, ATVs and snowmobiles, watercraft registration and boater safety.

Finally, I'll be serving as a member on the Health Coverage, Insurance and Financial Services Committee, which works on policies related to banks and credit unions, consumer credit, health insurance, mortgages, motor vehicle insurance, occupational and professional licensing, the Office of Employee Health and Benefits, and the price of prescription drugs.

If you or someone you know need assistance or needs to get in touch with a government agency, please feel free to contact me at Joe.Baldacci@legislature.maine.gov or call my legislative office at 207-287-1515.

Hermon JROTC Instructors Take Part in Pine Tree Camp Egg Ride

Article and Photo Submitted By Cadet 2LT Mackenzie Oiler

On February 1st, spectators gathered to watch as Dysarts welcomed a parade of Pine Tree Camp Egg Riders at the 52nd Dysart's Snowmobile Ride-In for Pine Tree Camp. The Pine Tree Camp egg ride continues the 50+ year-long tradition of celebrity egg riders stuffing raw eggs down their snowmobile suits before the ride. Each egg represents a \$50 pledge in support of Pine Tree Camp and its mission to serve Maine people with disabilities. This year, Major Fortier and First Sergeant Jenkins were two of the celebrity riders.

As celebrity egg riders, they raised money for the Pine Tree Camp during concessions at basketball games at Hermon High and other big events. As egg riders, they encouraged not only Hermon High JROTC cadets but also the community to accomplish the mission of JROTC, to motivate people to become better citizens.

MIDDLE SCHOOL SUMMER PROGRAMMING

H-Nation Youth Camp is a summer day camp for middle schoolers with a focus on getting the kids out of the house, allowing them to spend time with their friends for daily activities, games, competitions, and weekly field trips!

VISIT HERMONREC.COM FOR MORE INFORMATION

Youth Summer Day Trips are trips for Hermon, Carmel, and Levant residents entering 5th-8th grade that are offered over summer vacation with Hermon Recreation!

Hermon JROTC Cadet Selected for the U16 US National ODP Select Team

Article and Photos Submitted By: Cadet 2LT Mackenzie Oiler

In January, Hawk Battalion cadet Payton Guerrette was selected for the U16 Olympic Development Program (ODP) US National Soccer Team. This team is meant to identify and provide opportunities for players with high potential, facilitate their development, and motivate them in their pursuit of excellence. Every year, each state association holds ODP evaluations, where they are evaluated on their ability using Holistic Sports Systems. The ODP has teams at the region, state, and national levels.

As one of the selected players for the national level, Payton will be representing Maine and the US this summer in England. The Hawk Battalion would like to issue Payton a huge congratulations and look forward to seeing what she will do in the future.

PATRICIA A. DURAN SCHOOL

The Patricia A. Duran School Celebrates Reading

Article Submitted By: Melissa Davis, Ed.D.

March is an exciting time at the Duran School as we celebrate both Read Across America Week and focus on the importance of reading during the month of March! This special month is dedicated to fostering a love of reading among our students and encouraging lifelong literacy habits. We have a fantastic lineup of events planned, and we can't wait to share them with families.

Dr. Seuss Spirit Week

To kick off the month-long reading celebration, we will be holding a fun-filled spirit week inspired by the beloved books of Dr. Seuss. Each day will feature a special theme, from wearing your favorite hat (like the *Cat in the Hat*) or wearing silly socks (like *Fox in Socks*). This is a wonderful way to engage students and make reading a joyful experience.

Author Visit: Lynn Plourde

We are thrilled to welcome award-winning children's author Lynn Plourde to our school! Lynn has written more than 30 picture books, including *Moose, Of Course!* and *Pigs in the Mud in the Middle of the Road*. She will be sharing her experiences as an author, reading some of her books, and inspiring our students to become storytellers themselves. Author visits provide an invaluable opportunity for students to connect with literature and learn about the creative process behind their favorite books.

March Madness: Lynn Plourde Book Brackets

In the spirit of friendly competition and literacy engagement, we will be hosting our own version of March Madness—featuring Lynn Plourde's books! Students will participate in a school-wide bracket challenge, voting for their favorite stories each round until we crown a winner. This is a great way to promote reading, discussion, and excitement around books.

The Importance of Early Literacy

Reading is one of the most crucial skills a child can develop. Studies show that children who are read to at least 20 minutes a day are exposed to nearly 1.8 million words per year! Additionally, early literacy skills are directly linked to future academic success—students who read proficiently by third grade are four times more likely to graduate high school on time. By fostering a strong reading foundation now, we are setting our students up for a lifetime of success. We encourage families to take part in this special week by reading together at home, discussing favorite books, and reinforcing the joy of storytelling.

Legislative Update

2025 Legislative Session Update with Rep. Jim Thorne

House District 35 - Carmel and Hermon

Legislature has many big issues before it

The biggest issue facing the 132nd Legislature is addressing a substantial budget deficit brought on by a major expansion in welfare spending. We need to pass a 2026/2027 budget before we adjourn in June. MaineCare has enrollment has grown from 200,000 people to 406,000 people since 2019. Maine's Constitution requires a balanced budget, so Governor Mills is proposing new and/or increased taxes on pensions, tobacco products, cannabis, gallons of paint, drug prescriptions, ambulance services, and online streaming services.

I am opposed to raising taxes on working people to cover for irresponsible one-party spending. Especially since the proposed taxes disproportionately hit low-income people already struggling to survive in Maine. Governor Mills' previous two budgets haven't had one vote from a legislative Republican because the growth of these two budgets were unsustainable. The new proposed budget is also unsustainable without any attempt to curb the spending that created it.

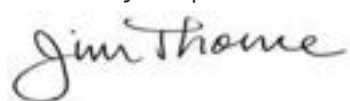

I would like to see a Maine version of DOGE, a department on government efficiency to find fraud, wasteful spending and inefficiency. For starters we should ask the Governor why she is proposing 250 new state government positions when we have 1,500 unfilled state positions now. I also do not support refusing to follow the law that gives direct-care workers a cost of living increase. They take care of our loved ones every day and they are underpaid.

On another note, the Secretary of State, Attorney General, or majority Democrats should investigate the evidence of voter fraud by non-citizens reported in the media. What is the scope of the problem? To enhance the security and integrity of our elections, Maine citizens have successfully submitted 171,562 signatures to have a referendum on voter I.D. I support legislative passage of that proposal, but am o.k. with voters deciding because it is an issue strongly supported by the public.

Identity theft and data breaches are another area I am concerned about. Hopefully, the legislature can take steps to address these growing problems. In the meantime, here is a link to some helpful information: https://www.maine.gov/ag/consumer/identity_theft/index.shtml

There are many other important issues before the legislature. I look forward to hearing from during the next two years on state issues of interest to you, or matters concerning state agencies. Please contact me at Jim.Thorne@legislature.maine.gov if I can be of assistance. I appreciate the opportunity to represent you in Augusta.

Sincerely, Rep. Jim Thorne

Scrap Metal – *No charge for small single items (arm full)	\$30.00 per load
White Goods (with or without freon)	\$20.00 per item
Computer/CPU, Laptop, Hard drives, Printers/Fax/Scanner Television/CRT Monitors	\$ 5.00 each
Smoke detectors	\$10.00 each
Specialty Recycling	
Car Batteries	\$10.00 each
Cell Phones	\$ 5.00 each
Light Bulbs to include:	\$ 2.00 each
Halogen/Incandescent bulbs/U-Bend/Circle/ CFL Bulbs/ HID/Sodium Lamps/Florescent Lamp or bulb/ UV Lamps/4ft Coated Fluorescents	
Grass clippings and clean leaf waster - compost area	No Charge
Demolition Debris – No shingles, roofing material allowed.	
Passenger Vehicle/SUV (if material inside) No trailer attached	\$10.00
Pick-up Truck - 6ft bed (short)	\$25.00
Pick-up Truck – 8ft bed (full)	\$50.00
Utility Trailer smaller than 6x10	\$25.00
Utility Trailer 6x10 with side rails	\$50.00
Pick-up with sideboards	\$75.00
Single Axle Dump trailer	\$50.00
Dual Axle Dump trailer	\$75.00
Pick-up Truck with dump body	\$75.00

Example:

 Passenger/SUV no material inside and hauling utility trailer 6x10.
 \$0.00 + \$50.00 = \$50.00
 Pick-up 6ft bed is full of debris and hauling utility trailer.
 \$25.00 + \$50.00 = \$75.00

Frequently Asked Questions (FAQ)

Q: How do I prove that I am a Hermon resident?

A: Residents wishing to use the transfer station must purchase a vehicle window sticker at the Town Office or the transfer station with a valid vehicle registration. The sticker is to be placed on the inside windshield of the vehicle transporting the waste. The cost per sticker is \$10.00 **(No commercial/contractor use will be accepted).**

Note: The Hermon Transfer Station accepts only residential materials generated in Hermon.

Q: What materials will not be accepted at the Hermon Transfer Station?

A: Examples of unacceptable waste include: hazardous waste, paint, tires, auto parts, shingles, chemicals, any liquid waste, waste oil, medical-related waste, pathological waste, dead animals, abandoned or junk vehicles, tree stumps, telephone poles, railroad ties, metal panels greater than 8 feet long, friable asbestos materials, pesticides, sealed drums, pressurized gas cylinders & tanks (full or partially full), hot ashes, odiferous waste, and wastewater sludge.

Q: Where can I take a large amount of construction debris?

A: Construction and demolition debris can be taken to the Pine Tree landfill located off the Emerson Mill Road in Hampden. Please call Pine Tree at 207-862-4200 if you have any questions regarding dates, times, or fee schedules.

Q: Does the Town of Hermon recycle?

A: Zero sort and cardboard recycling is available at the Town Office parking lot. Cardboard boxes must be broken down before disposal.

Q: Does the Town of Hermon have specialty recycling at the Transfer Station?

A: Yes, specialty recycling includes, but is not limited to electronics waste, televisions, monitors, and fluorescent lamps.

Q: Does the transfer station take grass clippings and leaves?

A: Yes, the transfer station now accepts clean leaves and grass only at our compost area – free of charge. Contaminated grass and leaf waste will not be accepted at the compost area.

Q: How do I dispose of brush and tree limbs?

A: We are unaware of a company accepting brush or tree limbs.

Penobscot Snowmobile Club Update

Article Submitted by: Sonya Eldridge

Let us introduce ourselves! We are the Penobscot Snowmobile Club and our clubhouse is located on the Bog Road in Hermon where we have been active since 1970! We are a fun family of volunteers that keep the club engaged in the community. Of course, we live for the snowy winter months and the enjoyment of riding snowmobiles on our 42 miles of local trails...but...we are so much more!

With Dysart's we co-host the fundraiser for Pine Tree Camp Egg Run annually the first weekend in February. The past Egg Ride brought many riders willing to fill their snowmobile suits with raw eggs and ride their sleds from Dysart's in Hermon to our clubhouse and back. Each egg in their suit represented a \$50.00 donation that helps pay tuition for children and adults with developmental and physical disabilities attend a barrier-free outdoor camping experience at Pine Tree. The laughter and smiles from everyone participating was infectious. If you donated by buying a paper egg to hang up at a local business, "THANK YOU!"

We also host the Kevin Call Memorial Truck Pull annually every summer. This event is produced by the Maine State Truck & Tractor Pulling Association. Some of the money raised at this event sponsors three scholarships for graduating seniors at Hermon High School. This summer's pull will be held on July 19th. Join us for a great family event full of good food and excitement!

Our clubhouse is available to rent as a venue for any gathering of 40-50 people. We have a kitchen, two bathrooms, and plenty of parking. The rental fee is \$150.00 and includes club membership. Please call Chuck at 207-478-8280 for information.

Speaking of membership! We currently have 72 family memberships, 33 business memberships and always welcome more. If you're interested in joining please contact Byron at 207-852-8961.

We have a small army of volunteers who maintain our trails and would welcome anyone interested in helping. It's beautiful out there on the trails and remember, sawing up and removing downed trees and clearing brush is great exercise. And did I mention, we are fun! While we are talking about trails, we want to say "THANK YOU" to the landowners who graciously allow our trail system to cross their properties. We hope you attended our Landowner Appreciation Dinner back in November. If you couldn't make it, we will see you at the 2025 dinner this coming fall.

We meet at the clubhouse every 1st and 3rd Wednesday from October-April. The 3rd Wednesday meetings are always a potluck with delicious and creative food served. Please feel free to join us and bring your favorite dish to share.

By the time this article is published, we will have held a snowmobile radar run and bonfire at the club, making this an annual event. The best place to get up-to-date information is at our "Sled Hermon" Facebook page or by calling Andy at 207-852-8214.

See you soon!

Want to contribute to the *Hermon Connection*?

Have something you want to share with the community? If you have an item of interest pertaining to the Town of Hermon we want to hear about it! Submitting an article in the Hermon Connection is a good way for residents and organizations to share stories of interest with the community. If you would like to submit an article, please email it to Lindsey Ouellette at ouellette@hermonmaine.gov. In order for Hermon residents and/or organizations to submit articles to be published in the Connection, the following criteria must be met:

1. The person submitting the article must be a resident of the Town of Hermon.
2. The organization submitting the article must be located within Hermon's geographic boundaries.
3. The organization has a lawful purpose which does not pose a threat to public order, to the safety of the public, or to the safety of any individual.
4. The organization does not have its primary purpose marketing products or services or making a profit.

Please be aware that any articles and notices submitted by community members and community organizations may not contain offensive language, slander, advocate violence or unlawful activity, or pose a threat to public order or to persons or their reputation. When determining whether or not to submit an article, please be aware the deadlines for submission are approximately the 20th of February, April, June, August, October and December.

Once you have submitted your article, Town staff will be in contact with you to let you know if the article you submitted will be published. We look forward to hearing from you!
